

October 2, 2024

Bronco Number: 018201378

Term: Spring 2025

Degree: Master of Science

Major: Computer Science

Dear Siddhi Narayan,

Congratulations and welcome to the Bronco Family! I am excited to share the news that you have been admitted to Cal Poly Pomona for Spring 2025 in the Computer Science program.

Cal Poly Pomona is among the best public universities in the West, ranked for helping students achieve economic success, and is one of only six polytechnic universities nationwide. Cal Poly Pomona's hallmark is its learn-by-doing philosophy, directly stemming from its polytechnic mission. By blending theory and practice in all its disciplines, the university recognizes that the students solving classroom problems today will be the employees solving the real-world problems tomorrow. We present a unique hands-on learning experience with a regional and national reputation of excellence that will make you competitive and advance your career.

As a graduate student, you do not have to accept your offer or pay an enrollment deposit but will be contacted by your department to discuss your next steps. In the meantime, we encourage you to view our [Admitted Graduates](#) webpage as it may help answer any questions you may have.

To request an I-20, documentation is needed. Please have the following documents ready: A copy of your passport and a copy of a current bank statement with the [required amount](#) balance. Once you are prepared, email international@cpp.edu. The International Student Services Office (ISSO) will send you a link to the ISSO student portal where you will upload documents. After you upload the documents, you will be notified when the I-20 is ready.

Congratulations again on your academic success! We are pleased that you have chosen our exceptional university and look forward to welcoming you to our campus community.
